

SENATE BYLAW 40

ALL STIPEND POSITIONS ARE TO SPEAK IN FRONT OF CLASSES

(Effective: March 10, 1988; Revised: October 7, 1992; October 16, 1995)

1 All stipend positions are required to make at least two (2) class appearances each semester;

These appearances may be scheduled by the Senate President or his/her designee;

The class appearance shall be to inform students of CSUN activities, programs, and functions;

The Senate President or his/her designee shall schedule the appearances for each stipend position during the first month of classes of each of the Fall and Spring semesters;

An absence of a stipend position holder from a scheduled appearance will constitute grounds for a stipend reduction, unless otherwise designated by the Senate President.

All stipend positions are required to attend all Senate Meetings. All non-legislative stipend positions are required to attend Executive Board Meetings. Requirements are further defined in CSUNRS 205.00 through 205.12.
