

SENATE BYLAW 43

FACULTY EXCELLENCE AWARD

(Effective: February 19, 1989; Revised: October 28, 1996)

Purpose

The award is to be given in the Spring semester of each academic year to recognize faculty excellence drawn from three (3) areas:

Student involvement;

Classroom teaching ability;

Student evaluations.

Award Process

At the beginning of each Spring semester, the CSUN Vice President will form and chair an award committee comprised of the voting members of the CSUN Executive Board or their respective designees; the Dean of Student Services, or his/her designee; and at least three (3), but no more than eight (8) CSUN members, none of whom are Directors, Chairs, or Senators;

For the purpose of this bylaw, neither the CSUN President, nor the Senate President shall be considered chairs.

By the second CSUN Senate Meeting of each Spring Semester, each college represented in the CSUN Senate will have submitted the name of one (1) faculty member for their college to the award committee for consideration;

The Committee will review the Senate nominees. The faculty nominees will fill out an application regarding their involvement in student life, a biography, and previous honors and awards;

The Committee will also poll one (1) class of each instructor. The poll will allow the students to rate the instructor on his teaching ability and concern, involvement and attitude toward students.
